EASTER EGGS | HUEVOS DE PASCUA

Eggs, as a sign of new life, go back millennia. In the ancient East, eggs were used as part of the celebration of the spring equinox. It was easy for Christians to make use of the same symbol for the Resurrection. The hard shell represents the tomb, with the new life sealed inside of it. In Orthodox and Eastern Churches, eggs were dyed red, to signify the blood of Christ that was shed for our salvation. The season of Lent originally included the fasting from dairy products as well as meat (eggs were considered a dairy product because they came from an animal without the shedding of blood). That meant that there would be a surplus of eggs at Easter, and some were hardboiled to help preserve them. The decorative eggs of today are still a symbol of the risen Christ!

Los huevos son señal de nueva vida, volviendo al milenio. En el antiguo Oriente, los huevos fueron utilizados Como parte de la celebración del inicio de la primavera. Fue fácil para los cristianos hacer de este un símbolo de la Resurrección. La dura cascara representa la tumba, con nueva vida dentro de él. En la iglesia Ortodoxas y Orientales los huevos se pintan de rojo, para significar que la sangre de Cristo fue derramada para nuestra salvación. La temporada de cuaresma originalmente incluía la abstinencia de productos lácteos y carne, (los huevos eran considerados un producto lácteo ya que provenían de un animal sin derramamiento de sangre). Esto significaba que había muchos huevos en Pascua, y algunos los cosían para que se conservaran más tiempo. ¡Los huevos decorativos este día siguen siendo un símbolo de Cristo resucitado!

May Jesus shine on you,
for you to discover the
incredible
value of the
cross.

Que Jesús
resplandezca
en tí, para que descubras
el increíble valor
de la cruz.

THANK YOU!

FROM THE DESK OF THE PASTOR | DESDE EL ESCRITORIO DEL PARRACO

Today, we solemnly celebrate Easter and joyfully acclaim - "THE LORD IS RISEN INDEED – LET US REJOICE AND BE GLAD." Jesus lives on! That is the message today. The empty tomb is the sign that points to the Resurrection of the Lord Jesus. The empty tomb that greets Mary Magdalene, and then the Apostles Peter and John, becomes the place where our faith in the Resurrection of the Lord Jesus is born, a faith that becomes the cornerstone and the object of the apostolic preaching. Without the resurrection, Christianity would be meaningless, and our faith would be in vain. Friends, Easter is not just a day but a season of renewal, urging us to live resurrected lives, focusing on heavenly things rather than earthly concerns. We are called to let Easter change our hearts and transform our lives, so that we may become more fully the people that God created us to be. We are called to bearers of hope and agents of new life, bringing the light of Christ to a world that is so often shrouded in darkness. Happy Easter to you all! God Bless! Father Eric

Hoy celebramos solemnemente la Pascua y aclamamos con alegría: "EN VERDAD EL SEÑOR HA RESUCITADO - REGOCIEMOSNO Y ALEGREMOSNO". ¡Jesús sigue vivo! Ese es el mensaje de hoy. La tumba vacía es el signo que señala la Resurrección del Señor Jesús. El sepulcro vacío saluda a María Magdalena, y después a los apóstoles Pedro y Juan, y este se convierte en el lugar donde nace nuestra fe en la Resurrección del Señor Jesús, fe que se convierte en piedra angular y objeto de la predicación apostólica. Sin la resurrección, el cristianismo no tendría sentido y nuestra fe sería en vano. Amigos, la Pascua no es solo un día sino una temporada de renovación, que nos insta a vivir vidas resucitadas, enfocándonos en las cosas celestiales en lugar de las preocupaciones terrenales. Estamos llamados a dejar que la Pascua cambie nuestros corazones y transforme nuestras vidas, para que podamos convertirnos más plenamente en las personas para las que Dios nos creó. Estamos llamados a ser portadores de esperanza y agentes de nueva vida, llevando la luz de Cristo a un mundo que a menudo está envuelto en oscuridad. ¡Feliz Pascua a todos! Dios los Bendiga.
